SKILLS

Javascript, CSS, HTML5, Bootstrap, ReactJS, Materialize, JQuery, React, AngularJS, MongoDB, Mongoose, version control (Git), Ajax, PostgreSQL, Heroku, Python, TargetX, Ableton, Pro Tools, Logic Pro

EXPERIENCE

Software Engineering Fellow at General Assembly   **2020 — Present**

Three-month, 420-hour full-time and full-stack program conducted in a remote setting, providing experience with the latest front- and back-end programming languages, tools, and methodologies

Enrollment Systems Operations   **2019 — 2020**

Graduate Admissions Specialist at The Catholic University of America

- Maintained the data infrastructure to allow a smooth system flow for transcript review.
- Managed systems such as, Salesforce, TargetX, PeopleSoft to work closely with prospective students.
- Evaluated international transcripts and other academic credentials such as GRE, TOEFL, and Wes evaluations.

Recording & Mixing Engineer/Producer/DJ   **2017 — 2020**

Freelance Artist, bicoastal residencies DC, NYC, LA

- Managed and developed my home studio, where I worked on several projects for artists in the DMV area.
- Conducted research on music trends through industry connections in order to ensure a seamless and fun night.
- Well-versed on how to record using Ableton, and serato. On the spot setups such as mix and mastering sounds, properly set up amps, microphones, audio interfaces, and speakers in order to produce top-quality sound.

Music Curator/ Server   **2017 — 2019**

Toki Underground (27 Seater Ramen Restaurant) Featured on Diners, Drive-Ins, Dives

- Managed an excel spreadsheet of all restaurant expenses.
- Curated the Spotify music Playlist to give every guest a very unique and fun experience.
- Maintained a POS system to help management improve margins, ensure accurate sales reporting, manage more effectively, and develop staff revenue goals.

Rooms Controller/ Supervisor   **2016 — 2017**

Renaissance Washington DC Downtown Hotel (807 room hotel)

- Managed room inventory and applied proper group blocking strategies, assign and blocking rooms for incoming groups with up-to 800 attendees.
- Supported Drake Beil Upgrade Program: Generating $182,470.00 in 2015 in upgrade revenue with a goal of $120,000.00
- Assisted management to ensure the Reception team executes Lead measures in order to reach WIG Goals
